

RESERVATION

The Reservation Add-On allows EasyCampus Administrators to schedule participation in events on your EasyCampus (for example, a chat or a conference) or external events (such as an in-person training session).

Steps

1. Add a reservation activity
2. Set up the reservation
3. Add the reservation to a course or your landing page
4. Download or send messages to attendees

Functionalities

- Name and describe events
- Set event and reservation dates
- Set a grade for the event
- Set a maximum number of attendees
